

## Town of York Plan Commission August Minutes

The Town of York Plan Commission met on August 5, 2008. Those present were Don Anderson, Sean Shilling, Heidi Hankley, Kelly Hermanson, and Dick and Marilyn Jaeger. The secretary's report was read and a motion to approve with corrections was made by Heidi, 2<sup>nd</sup> by Don. Motion approved.

First we discussed Conservation Easements. We are considering forming a Land Conservation Board within the township. Natural Heritage Land Trust and Gathering Waters are trying to get a statewide farmland protection program started. Sean told us that Ekum Abstract manages land divisions for other townships. He will call them and receive more information on this and will report back to us next month.

It was brought to our attention by Dick Jaeger that the Town of New Glarus has an impact fee now.

Vierbricher was to be at our meeting, but failed to attend. A motion was made by Heidi to go straight to an attorney to help us with the Tiered Land division since Vierbricher isn't communicating effectively. We could get some assistance from Natural Land Trust, or Gathering Waters. Both are non-profit organizations, 2<sup>nd</sup> by Don. Motion approved.

Our next meeting will be September 2, 2008. Motion to adjourn by Don, 2<sup>nd</sup> by Heidi. Meeting adjourned at 8:33 p.m.

Respectfully Submitted

Kelly Hermanson
